VIDEO: Creating Solutions: Women Preventing F.A.S. - Understanding Women's Substance Misuse. (2001). Northern Family Health Society-Prince George. 20 minutes.

"Women who struggle with substance misuse encounter numerous barriers and few supports in their efforts to abstain from self-medicating." ...Prevention of FAS requires that we begin in early childhood to prevent the traumas that drain young women of their ability to define themselves..." Please note: **This video contains sensitive material and may be disturbing to some viewers.**

CAD\$20.00 each + S&H
